Re: My Patent Application Number 09/489,739

Filing Date: January 21, 2000

Sole Inventor/Sole Applicant/Sole Owner: David Andrew D'Zmura

Examiner: Mr. Frantzy Poinvil

Payment of Issuance Fee

Dear Madam or Sir:

Enclosed is copy of my fax to the USPTO, containing my completed PTOL-85 Part B (Fee Transmittal), with my payment by USPTO Form PTO-2038 (Credit Card Payment Form), which I completed and faxed to USPTO fax line (571 273-2885) on March 9, 2007: this in regard to my above-reference Patent Application Number 09/489,739, currently allowed for issuance. Also attached are: the fax transaction report, confirming my successful fax to you on 3/9/07, 2:50 PM pacific time, from my local Mail Boxes Etc. (760 345-5862); and your USPTO Auto-Reply Facsimile Transmission confirmation to me, arriving minutes later from your USPTO fax server. This comprises my actual and bona fide submission and payment of PTOL-85 and issue fee(s).

I spoke today by phone with Examiner Poinvil, who recommended that I write and mail you this letter with attachments. The reason concerns that mail addressed to me at my above-referenced P.O. Box 621, from the USPTO, bearing my name as addressee, is being repeatedly tampered and rifled, prior to its emergence in my P.O. box for my receipt. The mail, including your mailing to me of my PTOL-85 package (bearing your mailing date of 2/27/07), is delivered into my box 10 to 14 days after being sent, and is found already opened. Scrutiny of the contents shows that the original documents contained at your point of mailing have been stolen from the envelope, and that photocopies of some of your implied mailing components are in their place.

This is a serious matter, as you undoubtedly would agree, as no one other than myself is authorized or permitted to obtain, take, open, copy or hold the Federally-protected, confidential, USPTO mail being addressed, intended and sent to me alone. I am concerned the mail thief(ves), may be attempting, or have attempted, to utilize these stolen documents to perpetrate further criminal acts against me. The United States Postal Service (USPS) takes this matter seriously.

After speaking with Examiner Poinvil today, I then phoned with the United States Postal Service administrator who is handling the USPS investigation into this matter of continuing theft. She recommended that I provide you with her name, contact phone, as well as my case number:

USPS Agent Roseann; Tel. (858) 674-2670; my case number CV31007610.

Roseann, who has also spoken with my local United States Post Office of Indio, CA, advised me to provide you with the contact coordinates of its supervisor of customer services:

Ms. Erica Hope; Tel. (760) 347-2092; Supervisor of USPS Indio, CA 92201.

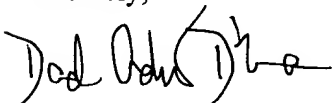

Roseann also requested that I ask you to contact her and/or Ms. Hope, should the USPTO have any information surfacing at its end, pertaining to, or shedding light on, the perpetrators.

Finally, both Roseann and Ms. Hope have recommended to me that the USPTO send its mailings to me by registered mail. I am aware that the USPTO sends thousands of mailings each week by standard first-class mail, but I am not aware whether the USPTO can send registered.

I have spoken also to your USPTO colleague in the Publications Office, Ms. Kimberly Tyrrel, who can be reached at (703) 308-9250 x147, about sending my issuing patents (ribbon copy) to me by registered mail, as for instance, I have another patent scheduled to issue 3/27/07. She understands the serious nature, and said she would see if it can be sent by registered mail.

Thank you for your attention to, and cooperation in, this matter. Please ensure that my PTOL-85 Part B Fee Transmittal is duly filed, and ensure the integrity of my patent application.

Sincerely,

David Andrew D'Zmura (pro-se independent inventor)
